Additional Instructions for mailing your package

- UPS will pick up your return package on the next business day. If necessary, UPS will try again 2 more times on the following 2 business days. An adult must be present for the pickup.
Before UPS comes, securely pack your item(s) to be returned. You do not need to affix a label to the outside of your return package, UPS will bring a prepaid label for your package.
If you cannot be present for the pickup or if UPS is not able to pick up your package after 3 attempts, cancel your return and place it again using a different shipping option, or contact customer service.
- If your battery is damaged, defective or recalled by the manufacturer, do not return to Amazon. Please contact [Customer Service](#) for further instructions.
- For return to Amazon, please repackage your item in the original manufacturer packaging in which you received it. If that original packaging is unavailable, securely pack your item in a cardboard box with adequate cushioning to prevent damage to the item in transit.
